Highlights

Moisture-resistant neoprene

This neoprene case adds a padded, moisture-resistant layer to your device, protecting it against sweat and the elements while you exercise.

Use with or without armband
Great for working out or hanging out. The included armband is removable, so you can choose to use the case with or without the armband depending on how you want to use it.

Play-through window
When you exercise, this clear window provides protection for your device's screen while still allowing you to control the device.

Adjustable sport-ready armband

The adjustable armband stretches to comfortably fit a broad range of arm sizes, and is secured with Velcro to keep your device nearby during any activity.
